A very easy going person is this Beetle fellow. A hard worker though! He recalls his most embarrassing moment as being caught sleeping in Chemistry class. He plans on going to college and then becoming a naval officer. Beetle doesn't like to be harped at by the teachers about his "siesta's" in class. His favorite classes are Math, Shop, and Ag. and he says he likes songs by Pat Boone. He also says "My, you don't say!" quite often. When Beetle isn't sleeping, he enjoys eating, watching T.V., hunting and bowling.

As shown by Bob;s long lit
As shown by Bob's long list of activities he was a fine student and a real asset to the Senior class. "Thats Life", his favorite saying, expresses his philosophy of accepting everything as it comes. Art, Fishing, hunting, and a girl furnish his main interests with sports and that certain girl taking up most of his time. He names playing a whole game of B squad football with a rip full'length in rear section of pants as his most embarrasing moment. His favorite subject is math and pet peeve is girls who talk too much. Bob's future plans are to go to college or art school His favorite song is "Jingle Bell"?

A disgusted, "Sometimes I wonder if life is worth living!", typifies Les. He just can't understand women, and he exercises his pastime on them often which is griping at them. He has one favorite (girl, we mean), and it seems as though they like the same things too, like the same song "Have I Told You Lately That I Love You?" Hmmmmmmmm! and the same class, Band. Les plans on talking to Uncle Sam about his future.

Alice transferred from St. Alphonsus School, Langdon, North Dakota to our school early this year. It didn't take her long to make many new friends. "Wowie" is her favorite expression. Roller skating and reading are her hobbies and listening to phonograph records is her pastime. People that think they're too good for anyone wouldn't have a chance with Alice. She recalls the Sunday she took her 4 month old niece to church with her and everyone mistook the child as being hers as her most embarrassing moment. Shorthand is her favorite subject. Alice's number one song is "Have I told you lately". She has no definite plans for her future.

Ronald Datzer
"Ron"
Tichigan Lake, Wisconsin
Band 3.
Ron's a quiet type of person--most of the time. He enjoys quiet things too, like collecting stamps and coins and listening to the radio. He recalls having to write a 500 word theme on Easter Eggs after making a wise crack in Ag as his most embarrassing moment. Someday Ron hopes to go into the Air Force and be an Aircraft Electrician where he might be able to take advantage of his favorite subject --Geography. Mr. Fire Eyes" and "Honeycomb" are two of his current hit tunes. Guys who have nothing else to do but schoolwork bother Ron.

Ronald Engel

Ron's generosity is as big as his waistline; he'd do almost anything for a friend. "Well, its like this", can only mean one thing, Ron is near by. Hunting, fishing, driving, and working on cars are his favorite hobbies. Many agree with Ron on his pet peeve. "going to school on Monday morning." His life ambition is to go on into Conservation work. The most embarrassing moment for Ron was the time he tore his pants during a football game. Ron lists Geography as his best class, and "Tammy" as his top tune.

Mary Gehrand
"Mary"
Rt. 2, Box 183, Union Grove, Wisconsin
F.H.A. 2-4; Chorus 1, 3, 4.
Even if it is her favorite subject, a discouraged "Doggone it" can be heard from Mary as she struggles with a pattern in Home Ec. Mary's favorite pastime is bowling and telling the Home Ec. class about all the men in her life. She names the night of August 28, 1957 as her most embarrassing moment. To be a success and be happy is her ambition and her pet peeve is people who don't mind their own business. "Rainbow" is her favorite song.

David Glick
"Dave"
Rochester, Wisconsin
F.F.A. 1; Band 2; Football 1-2; Basketball and Football Manager; R Club 4.
"Man, you've had it" could only be heard coming from Dave's direction. He's quite a fellow with a gun. Collecting old rifles and shotguns is his hobby. His pet peeve is teachers who have babies during the school year and don't pass out cigars to Ag class--now who could that be? "I'm going to sit right down and write myself a letter" is tops with him. Dave's favorite class is Ag IV, following along into his future plans of going into conservation work.

Herman Haack
"Hernando Hackaway"
R.1 Box 328, Caledonia, Wisconsin
F.F.A. 2, Football 2, Senior Play, Honor Roll 1-4, Projectionist Club 3, 4 Vice President.

Herman says he detests girls who smoke or use foul language. He names Physics as his favorite subject and he hopes to become either a Math or Physics teacher someday. Despite all of Herman's brains, he has quite a sense of humor and a happy personality which is shown in his favorite song "Dear Hearts and Gentle People."

Joseph Hoven
"Joe"
R. 2 Box 208 Burlington, Wisconsin
Joe didn't join us until this year so he hasn't had much time to participate in any activities except F.F.A. He seems to have a one-track mind-farming. His hobby, his past time, and his future plans are farming. He also names Ag. as his best liked subject. Guess this fellow wants to be a farmer! "Don't give up 'till you're sunk" can be heard coming from Joe. He names "Harvest Moon' as his top tune.

F.F.A. 1-4; Chorus 2-4; Massed Chorus 3-4; Football 1-3; R Club 3-4; Student Council 3; Class President 3; Junior Prom King.
The school shall miss this senior, for Donnie is always around with a smile and ready for a good time. A sympathetic, "That's about a nasty break" can be heard only from Donnie. Hunting and fishing--his hobbies, go hand in hand with his life ambition, "To go hunting ducks on the Mississippi with a goose gun." The pet peeve that ranks first with Donnie is, working on farms that aren't mine. He names Shop and Geography as his best classes. The song "For Ever and Ever" is his favorite tune.

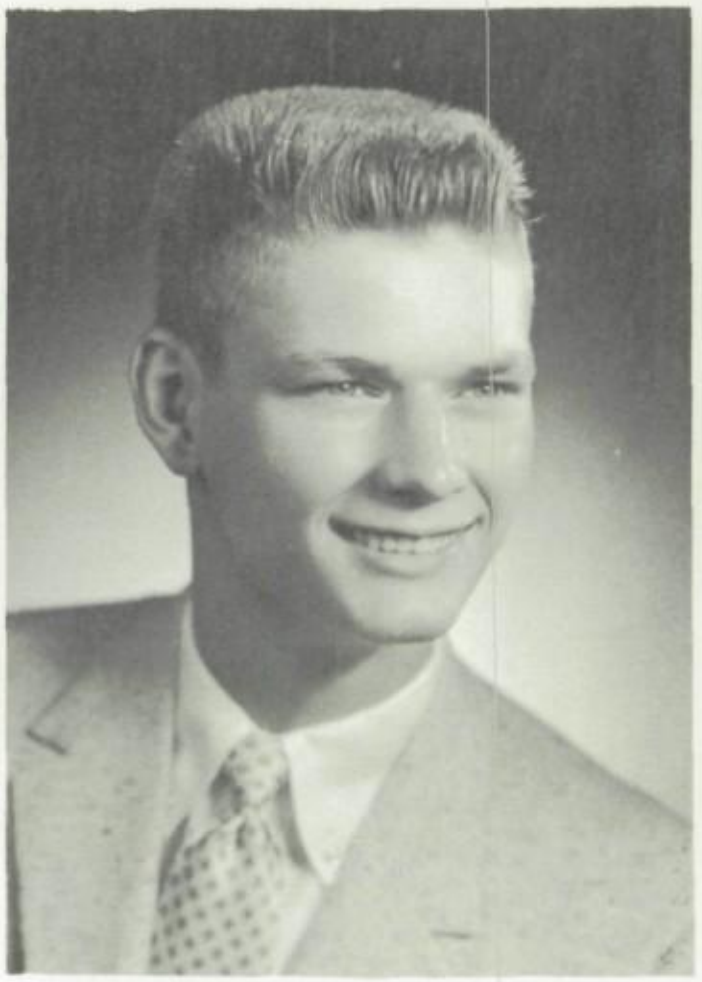
"Mercy Pie" can often be heard coming from Joe. Sports of all kinds are of great interest to Joe, as he makes hunting and fishing his hobbies. But what really irks him are--Guys who wake you up at 10:25P.M. to go deer hunting!?? Joe has a personality which will sure take him along way especially in college where he plans to go after graduation. "Be-Bop Baby" is his favorite song and Geometry his best class.



Carl Lindeman

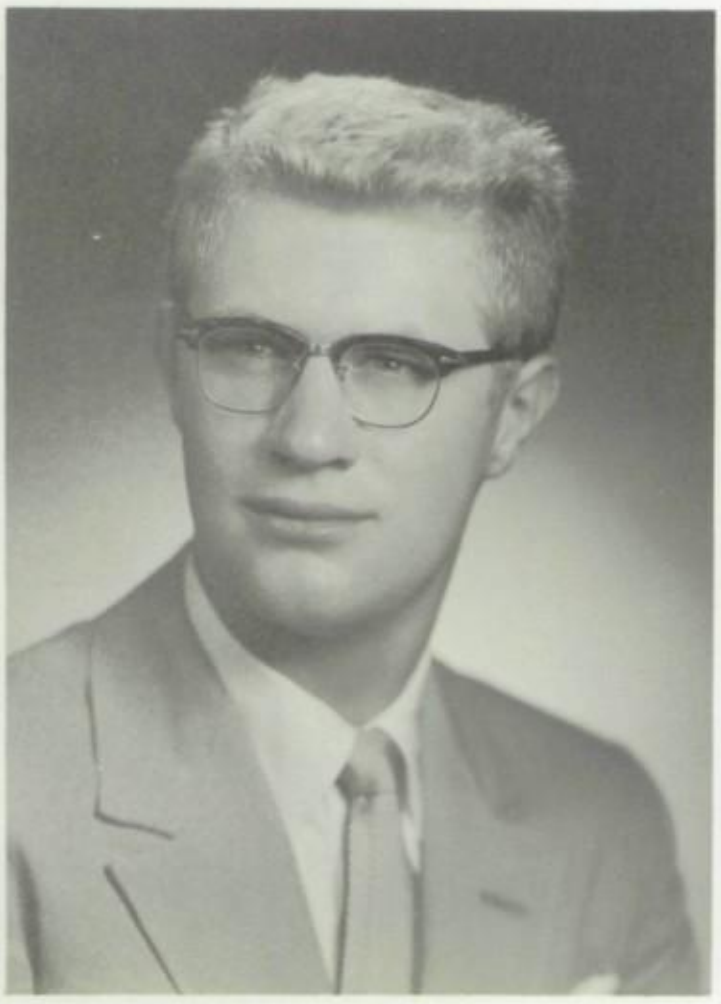
F.F.A. 1; Band 3-4; Chorus 2-4; Football 2-4; Track 3; "R" Club 4; Senior Play 4; Baseball 3-4.
Carl's life ambition is to be a high-classed bum. Maybe thats why he is taking so many business courses. Carl's pastime is training the new freshman especially girls, to set up his equipment in band. While waiting for them to snap to it you will often hear him disgustingly say, "Blessed are they who run around in circles, for they shall be known as wheels." Carl's fighting spirit wasn't always justly rewarded, but he never abandoned the ship; as in shorthand and bookkeeping classes. Here's hoping his classmates can pull him through! His favorite song is "Moments to Remember" which will give him something to do in his ambition as a bum.

Jack Makovsky
4333 4 Mile Road, Racine Wisconsin
F.F.A. 2-Secretary 4; Honor Roll 2-3
Jack's most embarrasing moment was when Mr. Grams caught him shooting crap with Gene Mashland. Jailhouse Rock is his favorite song and his pet peeve is teachers that moan about his hair. Jack's favorite subject is Agriculture which is preparing him for his ambition of being a good farmer. He enjoys hunting and fishing when he's not too busy working on the farm.

Charles Martell
"Chuck"
1624 Boyd Avenue, Racine, Wisconsin
Charles has come and gone from our school several times, therefore, he has not had time to be in many activities. He names collecting stamps and running around as his pastime. Girls who giggle irk him. You can hear Charley say, "Nuts to You" frequently. U.S. History interests him and he would like to go to College or join the Air Force after he graduates.

Russ Matezevich
"Rusty"
Box 74, Honey Creek, Wisconsin
Chorus 4; Football 1-4; Basketball 1-4; R Club 1-4; Baseball 1-4; Class Officer Secretary 3; Homecoming King 4.
Here is a terrific athlete as well as a good friend to all. Rusty can't stand girls who smoke. As do most of the guys from the class, Russ enjoys hunting & fishing, and he also names bowling as a favorite pass-time. "Jailhouse Rock" appeals to him for his more quiet moods when he's studying his favorite subject Geography. His future is uncertain as his pet come back "How Come"? Nervous, Russ? ---"Noop."



Lewis L. Milam
"SSSSStohnny"
R. 2 Box 588 Waterford, Wisconsin
Football 1-4; Basketball 1-4, Baseball 1-3, Track 3-4, R Club 3-4,

He names Biology as his favorite class. The song that rates high with him is, "You Send Me". At the present, Louie has no definite plans for the future.

OREN MILLER
R. 1, Box 66, Waterford, Wisconsin
F.F.A. 1-2; Band 3-4; Chorus, 1-4.
It seems as though Oren believes that silence is golden. Even though he's very quiet he is a good student and always good for a laugh or two. He puts "The Twelfth of Never" on the top of his hit parade. As do most people, Oren detests people with the big head. His future appears undecided at the present time, but whatever it is, he'll probably be successful.

Julie Anna Molenda

4533 n. 106 St., Wauwatosa 18, Wisconsin
F.H.A. 1-4 Reporter; Cheerleading 1-4; Band 1-4; Chorus 2-4; Massed Chorus 3; Senior Play; Annual Staff 4; Scholastic Honors 1-4; Pep Club 2-4; School Reporter 3-4; Class Pres. 4; Demonstrations 2; Prom Court 3; Homecoming 1, 2, 4.
Julie's most embarrassing moment was one night after a basketball game, when she climbed into the players bus by mistake. Her favorite saying is "Oh, you know", whenever she's put on the spot to explain something. Because Julie is a cheerleader helps explain her pet peeve, people who don't have any school spirit. Her pastime is doing what ever interests her at that time, which is rather hard for us to believe because she always seems to be doing so many things at once. Her hobbies, the outdoors, horses and music, go right along with her favorite subjects, Biology and Band. Everything stops, including Julie when she hears "Rhapsody In Blue".

Sharon Marie Naton
Route 1, Box 625, Waterford, Wisconsin
F.H.A. 1-4; Vice-President 4; Chorus 2-4; Prom Court 3; Honor Roll 1-4.
Sharon may be the smallest Senior girl, but don't think just because she's small you can push her around. She holds her own despite her size. Her hobby is embroidering and her past-time is clerking in a grocery store. Sharon names Bob not learning to dance as her pet peeve. Her most embarrassing moment happened as a Freshmen when she burned the hot chocolate for a football game. "Ivory Tower" is her favorite song. Didn't some other Senior name that as his favorite? Marshall is a well-rounded person, naming hunting, fishing and practicing his accordion as his past-times and hobbies. A "Well I'll be damned" could be heard when Marshall is around. Conceited people or big wheels are his biggest pet peeves. Ag. being his favorite class coincides with his life ambition of being a diversified dairy farmer. Marshall's favorite song "I'll Remember Today" shows he can be taken away from his farm work long enough to be families with the top tunes of the day.

"Queen Glory" can be commended on her outstanding work all through school. A willing an ready "Alrighty!" can be heard from her when ever there's something to be done. Her enthusiasm and ambition bubble out over her personality "plus". She names Home Ec and Band as her favorite subjects, and Wallflowers at a dance as her pet peeve. Only Glory could swear she lost her class ring and have 30 people looking for it between rows and rows of bleachers at a basketball game, then to go home and find it on her dresser. --She did, and she recalls that as her most embarrassing moment. Glory's top tune is "You'll Never Walk Alone", and she plans to have a career in elementary education.

Sorny, the gal with the beautiful red hair that she hates, enjoys trying to learn all about a certain green Ford and what makes it tick. She names practicing her horn and being with the owner of the green Ford as her favorite pastimes. Having study hall during band and socks are two things that simply irk her. She recalls, going upstairs in the dorm to clean one morning when some of the boys weren't quite ready, as her most embarrassing moment. Band and Commercial subjects go together more or less with her future plans which are to further her education in business courses and find a good secretarial job. Her top hit tune, "Have I told you lately that I love you" sort of coincides with a certain other senior's. If you ever hear a bolting "Juers, if you'd get a move on, we could set a record" coming from the dorm kitchen, you can be sure it'll be Sorny.

Junior Class Highlights

The Junior class under the direction of President Jim Fowler, completed a successful year of activities. We have sixty some members in our class.

The outstanding project sponsored by the Junior class was the annual Junior Prom. The prom attracted Alumni and friends from near and far. Jim Fowler chose committees to carry out the major work of promoting and publicizing the prom, and with the help of Mr. Waldman, Mr. Uebel, and Miss Dissen as advisors, led the class to a fulfillment of all expectations.

The class also sold Christmas wrapping paper, and all the students helped in selling it.

Members of the class achieved prominence in various forms of extra-curricular activities.

Sandy Sohns, Karen Sorenson, and Betty Howe are members of the cheerleading group. This was Betty's first year as cheerleader, but Karen and Sandy have been cheering since they were Freshmen.

Junior boys were seen in all forms of athletic accomplishment as well as the school band and chorus.

The music department also has many junior girls in chorus and band.

Although this has been a happy year we are all looking forward to being Seniors.

SOPHOMORE HIGHLIGHTS

The Sophomores started out the 57-58 year by selling pennants and shakers for Homecoming. Homecoming was a big event for the Sophomores. Besides decorating the gym and goal-posts, the Homecoming queen, Rosie Weber, was selected from the Sophomore Class.

A good portion of boys turned out for football and also for the basketball "B" squad, which did pretty well this year. That may be due to the efforts of three Sophomore girls, Gerri Klamik, Jean Jacobs, and Sue Plucker, who made the "B" team cheerleaders.

If the advancement is as good the remainder of the years as it has been thus far, a fine class will graduate in 1960.

FRESHMEN HIGHLIGHTS

This year seventy eight bewildered freshmen started their first year at Ag. School.

They have made the adjustment with flying colors, and got right into the swing of things by making all the invitations for Home Coming.

In sports such as football and basketball the freshmen are well represented. In band, chorus, cheerleading and other school activities they have become quite active as time went on.

Under the advisement of Mr. Molitor, Mr. Hoff and Miss Haberman, they will have a fine start for their future years here at Ag. School.

Seated, L. to R: Margaret Kramer, Sandy Sohns, Secretary, Karen Sorenson, Treasurer, Elmars Ezerins, President, Judy Sorenson, Vice-President, Richard Schultz, James Abbrederis.
Standing: Margie Bayley, Marilyn Sorenson, Judy Clark, Jean Jacobs, Betsey Voss, Bob Carl, Tom Kebbekus, Joe Lakota and Les Constantineau.

This is the second year the Student Council has been in operation. In the fall, class elections were held at which the council representatives were elected. The officers who were elected in the spring conducted the elections.

Again the Council sponsored the football homecoming celebration. The planning of the annual Christmas party and the "March of Dimes" campaign were also carried on by the Council.

Our Council is a member of the National Association of Student Councils and delegates are sent to their conventions.

The various committees have been carrying out their respective duties. All school dances and other social affairs have been arranged by the Social Committee. The Building and Grounds committee has carried on campaigns to improve the appearance of our school. The assembly committee has planned the Lyceum programs for next year. Dances have been planned by the Ways and Means committee to raise money.

The Council has worked to promote better student-faculty understanding and to improve our school.

SENIOR CLASS WILL

The senior class of 1958 of the Racine County Agricultural School died on May 29 at the age of four from over-exertion caused by jamming chemistry, history, English and such information into their already swelled heads. The funeral service will be held in the gym on May 29. All friends are requested to attend bearing gifts and flowers. The death was a shock to the faculty who had thought it might linger for another year or two. The senior class did not pass on so quickly that it didn't have time to breathe its last will and testament.

I, Bob Augustine, will my dirty locker, gym clothes, books; to my dirty cousin, Jim Fowler.
I, David Bayley, will my job as statistician to Harvey Leighton.
I, Donna Brook, will my height to Bev Smith.
I, Bob Carl, will my corn and ham to all the Future Farmers of America.
I, Les Constantineau, will all my troubles to Bill Nienow. "He causes most of them anyway."
I, Bob Contois, will my Ag. book back to Mr. Darnill.
